4           (2) EFFECTIVE DATE.—The regulations issued  
5           pursuant to paragraph (1) shall take effect on the

9           of enactment, except that the regulations shall not  
10          apply to a patent described in the first sentence of  
11          section 5(f)(2) of this Act during the period that a

10 will simplify the issues in question and stream-  
11 line the trial;

12 (B) whether discovery is complete and  
13 whether a trial date has been set;

15 would unduly prejudice the nonmoving party or  
16 present a clear tactical advantage for the mov-

19 will reduce the burden of litigation on the par-  
20 ties and on the court.

22 interlocutory appeal from a district court's decision  
23 under paragraph (1). The United States Court of
